Bad weather and snow

Now that the winter months are upon us with the possibility of extreme weather we would like to draw your attention to a useful link from the local authority of roads that are treated on a precautionary basis for your information –

<http://www.wiltshire.gov.uk/parkingtransportandstreets/roadshighwaysstreetcare/gritting/grittingroutesmap.htm>

At school, the safety of our pupils, staff and parents is paramount to us and as such we would like to inform you of the safe route in and around school, should such conditions arise. We will ensure there is a path around the staff car park and through the gate, through the school playground and down to Pine Martens. The area outside the office will also be gritted.

We are not in a position to grit the road as this belongs to the council. However, in adverse conditions the road leading to the school can be very icy and therefore we ask for everyone to take extra caution when travelling to school.

In the event of school closure we will update our website accordingly, inform local radio stations and send a text via Parentmail X. Please ensure that you have updated your contact details on Parentmail X.
