Art Start Of The Day

This week we have been looking at a very famous painting by Pieter Bruegel called "Children's Games". The painting shows over 80 games that children might have played back in 1560.

We asked the children to find the following:-

1 mask, 1 wooden flute, 2 red purses,
2 boys on stilts, 1 birdhouse, 2 cone-shaped hats,
1 flower basket and 1 girl balancing a broom.

At home, can you spot any games that are still played today? Maybe you would like to create your own picture of games that you play with your friends or family?
