### Art Start of The Day

This week in our Art Start of the Day we looked at a picture with a message. The image was created by Chris Jordan for 'World Oceans Day' (see link below) which is a global day of ocean celebration and collaboration for a better future.

This year the theme was 'Our Oceans, Our Future' focussing on:  
encouraging solutions to plastic pollution and preventing marine litter for a healthier ocean and a better future.

We asked the children if they could work out how the artist created this stunning image, whether they liked it and what the message behind the picture may be, before revealing that it was a digital image created from plastic bags.

### Nursery at Hilperton

As you will see the nursery construction is moving at quite a pace! Please contact the school office if you are interested in a space when the nursery opens in September 2017. We currently have sessions available on most days but spaces are filling fast! If you have any questions, please feel free to speak to Mrs Bailey in the office.
