

English

We will be reading *Secrets of a Sun King*

by Emma Carroll

In our writing, we will be learning to:

- write a recount of a trip.
- create a diary entry.
- write a discussion text about whether tombs should be excavated or not.

Maths

We will be learning how to:

- read and write numbers to 1,000,000
- compare numbers to 1,000,000
- make number patterns
- round patterns
- add and subtract within 1,000,000

Spelling

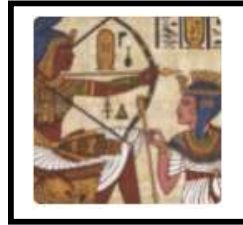

We will be reviewing spelling strategies and working on:

“ough” endings, homophones

Ei or ie

French

We will recap classroom instructions, sports and sports clothes. We will then learn about the verb ‘avoir’ and start to use it in conversation.

Pharaohs

Let’s travel back 5000 years, to the dusty realms of ancient Egypt. Cruise along the Nile, entering a world of mysteries and curses, mummies and kings. Find out about life on the river’s fertile banks, discovering Egypt and its fascinating culture. Unravel the secrets of ancient tombs, using historical sources and ancient artefacts. Find out about powerful pharaohs and grandiose gods. Make yourself a nemes and you’ll really look the part. Become an apprentice and work for Ramose, the chief embalmer at the Beautiful House. Help him prepare a body for its journey into the afterlife. Now open the doorway to ancient Egypt. Who knows what treasures you will find?

Music

We will be learning about ostinatos and riffs, and listening to cyclical music from around the world. We will be composing our own riffs and ostinatos, and learning to improvise over the top of repeated rhythms. We will be composing as a class using rhythm and pitch notation, and improvising using 'doh-re-mi-soh-lah' pitches.

Geography

We will learn the location of significant Egyptian sites and why the Nile was so important.

History

Starting with an understanding and knowledge of some famous Pharaohs, we will learn about Ancient Egyptian society. We will learn about Egyptian gods, the importance of the afterlife and why there were so many things to do to prepare a body for the afterlife.

PHSE

We will be learning about who we are and our relationships this term both in person and online. We will understand what hate crime and bullying are and think about how we can protect ourselves and others from them.

PE

In P.E. this term, children will develop their ball skills through the sport of football and apply these to game situations. They will also learn ways to support their friends while playing sport and begin to take on different roles and positions within a team.

Computing

We will develop our understanding of computer systems and how information is transferred between systems and devices. We will consider small-scale systems as well as large-scale systems. We will explain the input, output, and process aspects of a variety of different real-world systems.
