

## Curriculum Information Term 1 Kestrels, Puffins and Fireflies

### English

We will be reading *Stig of the Dump*

In our writing we will be learning to:

- Describe a special person
- Write a warning story
- Write a chronological report

### Maths

We will be learning more about numbers up to 1000 and focusing on the value of each digit, as well as learning how to compose and decompose numbers. Later on into the term we will be recapping addition and subtraction methods using renaming.

### Spelling/Phonics

We will be:

- Recapping set 3 RWI sounds
- Revisiting suffixes and prefixes
- Learning how to use contractions and apostrophes.

### Through the Ages

In the Through the Ages project, your child will learn about three different periods of British prehistory: the Stone Age, Bronze Age and Iron Age. They will discover terminology relating to time and sequence dates to make a timeline.

They will explore the changes to people, homes and lifestyle throughout the different periods and investigate examples of prehistoric settlements, monuments, burials and artefacts in detail. They will also study how technology improved over time, including how the discovery of different metals changed the way that people lived.

### Science

In Science we will be learning about the life cycles of flowering plants, the parts of a plant and the requirements of water, light and nutrients for plants to grow.

### History

In History we will be learning about the history of the British Isles, particularly, changes from the Stone Age to the Iron Age and exploring the similarities and difference between these two periods of history.

### Art

In Art we will be learning the importance and cultural significance of Bell Beaker pottery and exploring and using the different techniques to create our own pottery.

### Music

In Music we will explore pulse and rhythm. We will be experimenting and comparing un-tuned musical instruments and producing a piece of animal music. We will work in groups to rehearse our piece then perform it to the class.

### PE

In PE we will be working towards increasing our fitness levels and focusing on developing our fundamental movement skills.

### PSHE

In PSHE we will be learning about all the new rules and routines in school.
