Dear Parents and Carers,

Welcome back! We are delighted to welcome you and your children back to The Mead for the 2018-19 academic year. We'd like to extend a particular welcome to all the new families who have joined us for the first time this week.

School Priorities

This year we are in a Citizenship year and will be enriching the children's experiences to develop thoughtful and tolerant global citizens. We continue to embed Maths No Problem, our Singapore approach to the teaching of Mathematics and have shaped our curriculum themes around high quality texts. Curriculum information will be published next week on the website.

This year we will continue to develop the way that we welcome parents and carers into The Mead and support you to have a clear understanding about your child's learning and progress. We will be continuing to develop ways to encourage you to become more involved in the life of the school as we know how important this is in supporting your children to be happy and make progress. If you have any ideas or suggestions that might support you further, please do not hesitate to get in touch with us. You can email us with your feedback, questions or suggestions at feedback@themead.wilts.sch.uk (however please note this email is only monitored on a weekly basis, not every day and should not be used for any urgent messages). Our hardworking staff also are very pleased to hear when we have made a positive impact on your children, so if you have any success stories we would love to hear about these too.

Communication

Remember that if you have any questions or information you would like to share with us, we will always be happy to help. You can speak to your child's teacher at the start or the end of the school day if you are able to come to school, or telephone the school office and ask for them to contact you at a mutually convenient time. Mrs Bailey will be at the gate every morning at the Hilperton site and Mrs Moore will be on the gate every morning at the Wingfield site. They will be happy to help in any way they can so please do ask.

Continued overleaf...

Please send comments or feedback feedback@themead.wilts.sch.uk
Paper copies of this newsletter are available from the school office.

IF YOU REQUIRE THIS IN LARGE TEXT OR ANOTHER LANGUAGE PLEASE CONTACT THE OFFICE

Communication continued

There will also usually be a member of the Senior Leadership team welcoming families at the gate in the morning, so please feel free to stop and chat or ask any questions you may have.

Miss Emma Holton

Head of School

Mr Rob Cunningham

Deputy Head of School

Mrs Jennie Jones

Senior Teacher – SENCO

Mrs Kate Seviour

Senior Teacher (Wingfield)

Thank you for your feedback last year about the need for more notice for trips; this year we commit to giving parents and carers as much notice as possible about forthcoming events. This means that you should be given at least 4 weeks' notice of any school visit or event for which we will ask payment. There may still be occasions when a last minute opportunity may present itself to be involved in events; please accept our apologies in advance if this occurs and we will endeavour to ensure this is not a frequent occurrence. Payments can be made online via Parent Mail X (PMX) or brought to school in a named envelope.

Assemblies

You are very welcome to join us for our Community Assembly each week. This is held on both sites every Wednesday from 2:45pm onwards. Celebration Assembly has moved this year to a Monday afternoon at 2:45pm. If your child is nominated to be Star of the Week, they will be celebrated in the next Celebration Assembly and you will be invited to come into school to share their special moment.

Parent Conversation Evenings

During the week beginning 24th September, all parents and carers from Year 1 upwards will be invited to come into school to meet your child/ren's new teacher/s. This will be an opportunity for you to have a conversation about how your child has settled into their new class and for you to ask any questions you may have. You will be able to sign up for an appointment online very soon and we will let you know as soon as this system is ready to use.

There will be another opportunity for you to meet with your child's teacher in March/April. Please do not feel you need to wait for these formal meeting times if you wish to discuss something with your child's teacher. You can make an appointment to speak with them at any time.

Community Day

We look forward to seeing as many of you as possible for our Science and Technology Community Day: Mission Explore And Discover tomorrow at The Hilperton site between 11am and 3pm. Please see the poster below for more information.

I am looking forward to working closely with you all as we strive to improve and develop our special school. Thank you all for your continuing support.

Miss Emma Holton

This Year is a Citizenship Year.....

Each year The Mead has an enrichment focus which exposes children to a different area of the curriculum in greater depth. This year our focus is citizenship. Our main themes for the year will be.....

- Metacognition (thinking about what you are thinking)
- Children leading (in their learning and their play, representation)
- Wellbeing (taking care of yourself and each other)
- Self-regulation (managing your own behaviour)

There will be a range of exciting and thought provoking events, visitors and trips throughout the year culminating in our community day in May.

Each week the newsletter will feature a quote that will also be explored in assembly on a Friday and Start of the Day on Monday. Please take the time to talk about the quotes as a family and encourage your children to share what they think.

Citizenship Year – Quote of the week

We kick off the year sharing the UN Conventions Right of every child. Have a read through and think about which ones mean the most to you. Do you agree they are all important? Which one is most important?

Please click on the link below or copy and paste it into your browser.
