The Mead's Recommended Read

Red Squirrels are currently reading The Boy who grew Dragons by Andy Shepherd. This is a wonderfully funny book about the adventures of a boy called Tomas and his pet dragon that he has grown from a dragon fruit.

The story tells the tale of all the mishaps that occur from owning a dragon and keeping it a secret, delightfully explained by Tomas. Year 3 are enjoying the story and the vivid imagery that comes from reading it.

World Book Day Thursday 7th March

To celebrate World Book Day, we are inviting all children to dress as a character from a book that they enjoy. The children will have opportunities to discuss their outfits and their favourite stories in their classrooms on the day, and the staff in each year group will also be dressed in character.

We do not expect you to go and buy a new outfit especially for this day so if you would like any suggestions please speak to your child's class teacher.

We can't wait to see your costumes...

Miss Emma Davies, Class Teacher and Reading Leader

Perry and Potter's Weekly Active Challenge

For your Active Challenge this week try some jumping. We have been practising in P.E. to jump with our knees bent, landing on the balls of our feet, swinging our arms to get more height and most importantly being balanced when we land.

Can you try some different jumps? How about a star jump? Tuck jump? Half turn or a Full turn? What other types can you do? You could always invent some of your own!

Sporting Fixtures

This week we hosted Bellefield School for a netball friendly in preparation for the Trowbridge tournament coming up in the next few months.

We have been training hard as a team so it was great to put our skills into practice. It was an extremely competitive match which ended 2-4 to Bellefield but was played with great spirit and was enjoyed by all.

After School Care Collection and Nursery

We politely remind all parents/carers that the collection times for After School Care and Nursery is at 4.15pm.

Unfortunately, we are having many instances where children are not collected on time resulting in members of staff being unable to leave. As you will appreciate staffing numbers are allocated on the number of children attending and are timetabled to finish at 4.15pm.

Late collection results in staff having to be paid additional time at a cost to the school and I am sure you will remember our newsletter earlier this year regarding funding cuts, that this is not something the school can sustain. Therefore, as a result costs need to be passed on to parents involved.

With effect from Monday 28th January 2019, any child not collected on time will incur a late collection fee of £15.00 per 15 minutes (or part thereof).

Thank you for your understanding.

School Business Manager

Bad weather and snow

Now that the winter months are upon us with the possibility of extreme weather we would like to draw your attention to a useful link from the local authority of roads that are treated on a precautionary basis for your information –

<http://www.wiltshire.gov.uk/parkingtransportandstreets/roadshighwaysstreetcare/gritting/grittingroutesmap.htm>

At school, the safety of our pupils, staff and parents is paramount to us and as such we would like to inform you of the safe route in and around school, should such conditions arise. We will ensure there is a path around the staff car park and through the gate, through the school playground and down to Pine Martens. The area outside the office will also be gritted.

We are not in a position to grit the road as this belongs to the council. However, in adverse conditions the road leading to the school can be very icy and therefore we ask for everyone to take extra caution when travelling to school.

In the event of school closure we will update our website accordingly, inform local radio stations and send a text via Parentmail X. Please ensure that you have updated your contact details on Parentmail X.

Early Years Conference 2019

**Join Jude Twani (Early Years Consultant) and Gill Jones (Ofsted)
for a day of professional learning and networking**

Jude Twani Keynote Address: Getting Them Talking

More and more children are joining Early Years settings and schools with less well developed communication and language skills. Jude will explore the possible factors that contribute to this, and the challenges we face as Early Years practitioners in supporting the development of these skills. She will share how we can work with children using four simple approaches, which provide them with the essential skills they need to become "good talkers".

Gill Jones: The Education Inspection Framework in Early Years

Gill will discuss the new Education Framework, due to be implemented in September 2019, and share what it will mean for Early Years practice and provision.

Jude Twani & Gill Jones Interactive Q&A

An opportunity for delegates to pose questions and discuss effective Early Years' pedagogy with our keynote speakers.

Afternoon workshop with Jude Twani: Finding My Voice

Her passion is to motivate and inspire those working with children to keep the child at the heart of their practice.
