Dear Mead families,

With Year 6 visit to the Imperial War Museum and Year 5 Sailing Trip, not to mention dance workshops and science fairs on both sites, it's been a very exciting week. The heat has added a special feel to it all, though made things a little exhausting! Cooler next week apparently ...

Information about class teachers has been shared for both sites now and more will follow about TAs for each year. Class teachers themselves will also be sharing introductory information with you. You will of course know the majority of the team, but there are some great new members joining us who will want to introduce themselves.

Next week sees the completion of all assessments and information about outcomes (Reception progress, Year 1 Phonics, Year 2 SATs, Year 4 times-tables and Year 6 SATs) will be shared with you after the final results for Year 6 are received in July.

Our twentieth anniversary celebrations will take place on Friday 1st July, with the raising of the ten-year time capsule on the school field to so that a twenty-year capsule can be added. A special assembly will herald this occasion, with each class sharing the item they have chosen for the capsule. Mr Tate will be raising the twentieth anniversary flag very soon!

Finally, a heads up that we have decided to move the summer fair on Hilperton site to the autumn – Saturday 1st October will see the site open with a wonderful autumnal offering in the traditional harvest style. This will fall at the end of our annual open week.

Mark Stenton
Headteacher

Reporting children's absence to the school

It is no longer a requirement to report Covid cases. The guidance is that children who have tested positive for Covid should isolate for at least three days and be clear of a temperature for 24 hours without the use of medication.

Please can you let the office know of any absence by calling the school absence line each day your child is unwell.

Thank you for your assistance in helping us keep everyone safe.

Reminder - After School Care Bookings

Please note that the ASC booking system on Arbor is not available from 11am for same day bookings. However, bookings for future dates can still be made. We will of course be able to make bookings for exceptional circumstances, but you will need to phone the school office to arrange this.

Library Visits

Y5 Hilperton Library visit - the children enjoyed visiting the library last week and had the opportunity to take a book of their choice home. If your child used their library card to bring a book home, please remember that it needs to be taken back to the library by 30th June, so that they don't gain a library fine. Your child can then swap their book for another one!

Y3 Hilperton Library visit will be rescheduled for the children after the summer holidays, but in the meantime, the children and their families can still visit the library as much as they like!
