<p>Outcome of learning: Children will publish a story inspired by ‘The Wishing Chair’ and Pie Corbett’s Elf Road. Children will write a persuasive letter to a clock maker asking for help to release the girl from the clock tower.</p> <p>Key Skills:</p> <p><u>Reading</u></p> <ul style="list-style-type: none"> Using the Key Stage 1 VIPER skills to develop and apply a deeper understanding to ‘The Flower’ by John Light. <p><u>Writing</u></p> <ul style="list-style-type: none"> Write narratives about personal experiences and those of others. Write for different purposes. Apply appropriate features of text types Use sentences with different forms e.g. questions, statements, exclamations and commands Use sub-ordination and co-ordination in their writing. Re-reading to check that their writing makes sense and make changes to improve. 	<p>Outcome of learning: Children will learn to solve real life problems involving money. Identify and describe the properties of 2D and 3D shapes</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Recognise and use symbols for pounds and pence. Combine amounts to make a particular value. Find different combinations of coins that equal the same amounts of money. Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change. Compare and sort common 2D and 3D shapes. Identify 2D shapes on the surface of 3D shapes. 	<p>Outcome of learning: Children will complete an investigation into how plants grow best.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Working scientifically - performing simple tests and using observations and ideas to suggest answers to questions. Identify and classify parts of a plant. Identify what a plant needs to grow and stay healthy. Use observations to suggest answers to questions. 	<p>Outcome of learning: Children will participate in basketball and netball, developing simple tactics for attacking and defending.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Throw a ball overarm using 2 hands. Catch a ball accurately over varying short distances. Identify how our bodies feel before, during and after exercise.
Art	RE	Music	Geography/History
<p>Outcome of learning: Children will create an imaginary print inspired by their story writing.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Sketchbook work involving line and pattern. Create a mood board inspired by contemporary artists. Explore the skill of press printing. Evaluate and improve our work. 	<p>Outcome of learning: Children will revisit and become familiar with the Christian story of Easter.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Retell religious stories. Empathise with and reflect on the characters from the Easter story. Ask and respond sensitively to questions about their own and others experiences and feelings. 	<p>Outcome of learning: Children will explore how instruments are made from wood, metal and skin.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Play non-pitch percussion instruments. Play simple patterns to accompany songs. Listen to a wider range of music. Follow a melody. 	<p>Outcome of learning: Children will interview an older person who has travelled around the world. Children will create a map of their magical land.</p> <p>Key Skills:</p> <ul style="list-style-type: none"> Find out something about the past talking to an older person. Ask historical questions. Devise a simple map and use to devise a basic key. Identify cold areas of the world in relation to the equator and the north and south poles. Relate to places the magical chair has visited. Identify human and physical similarities and differences between a small area in the UK and a non-European country.
